# THANK YOU TO OUR SPONSORS

# OUR VISION

Innovation through collaboration to improve the health of the world's communities.

# OUR MISSION

We work to establish North Carolina as an international center for research, training, education, advocacy and business dedicated to improving the health of the world's communities. We seek to engage academic, governmental, business and nonprofit organizations in this collaborative effort.

# CONSORTIUM MEMBERS

# WHAT WE DO

We are dedicated to advancing innovation and collaboration here in North Carolina so that we can improve the health of communities around the world. We come together to **build community, share best practices, prepare the next generation** of global health leadership and **advance North Carolina** as an epicenter of global health.

**BUILD  
COMMUNITY**

**SHARE BEST  
PRACTICES**

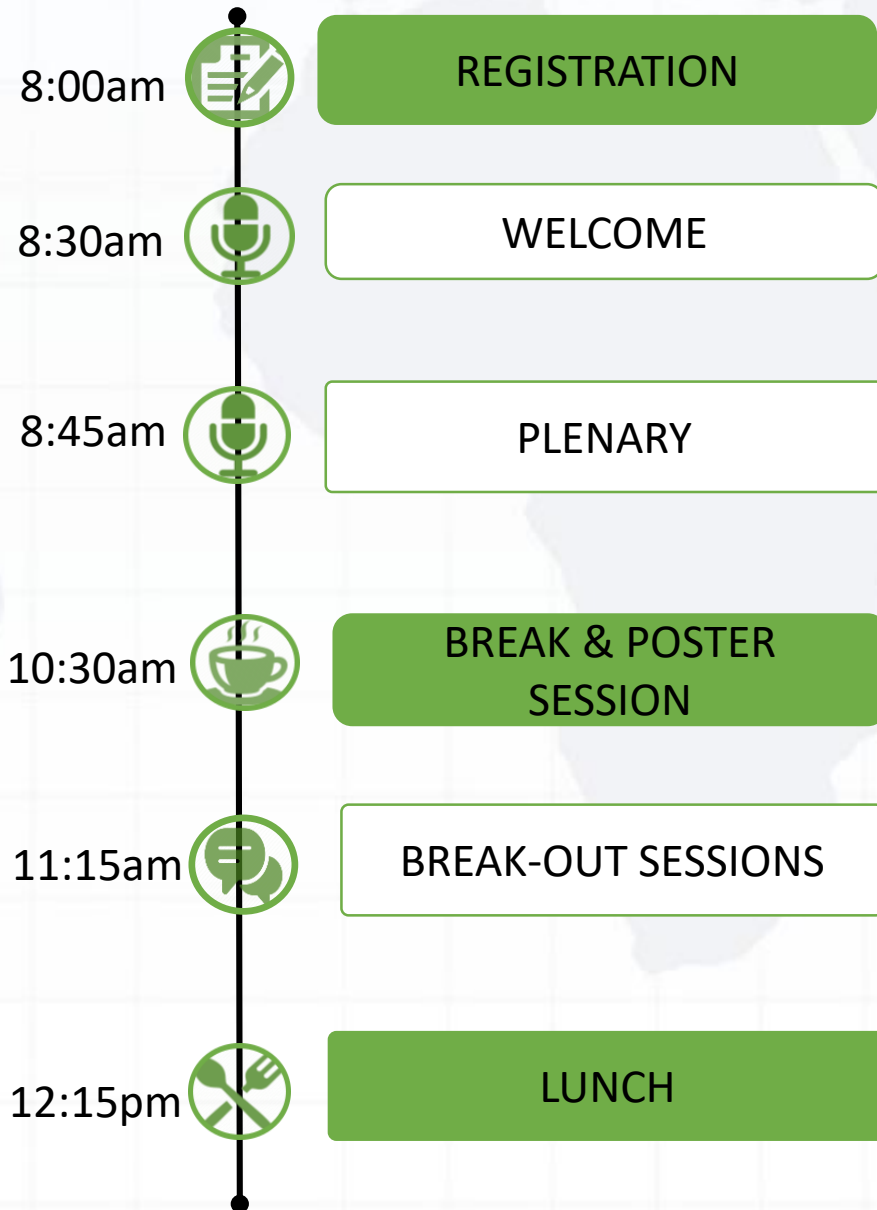

**PREPARE THE  
NEXT GENERATION**

**ADVANCE NC**
